

POSITION: Credit Analyst

DEPARTMENT: Credit

LOCATION: Miami, FL

Company Description

Associated Energy Group, LLC (AEG Fuels) is a global aviation fuels and services supply chain management company. The company's core business is the marketing and financing of fuel supply and logistics solutions for the world's largest airlines, militaries, and corporate operators.

AEG Fuels serves its clients through a network of longstanding relationships with subcontracted parties around the world. Customers are afforded the benefits of negotiated fuel and throughput pricing based on AEG Fuel's aggregate volume within a network of over 3,000 airports as well as the company's specialized expertise in delivering products safely and on-time.

AEG Fuels is dedicated to providing comprehensive support and unparalleled 24/7 service around the world. 30 different nationalities are represented on AEG's team and with offices in Miami, Houston, Tahoe, London, Dubai, and Singapore the company combines a global presence with a local touch.

AEG Core Values

- Excellence & Teamwork
- Entrepreneurship & Innovation
- Respect & Trust
- Always Do What's Right

Position Description

AEG Fuels is looking for an analytical, goal oriented, customer service driven person to join our expanding Credit team. This position is based in Miami.

Responsibilities

- Manage a large portfolio of B2B accounts globally to make Credit recommendations for approval of credit lines and payment terms
- Ensure customers provide the correct documentation and all the information necessary to make a Credit recommendation on new and existing customers
- Determine the credit worthiness of customers and the degree of risk involved in extending credit by reviewing and analyzing their financial statements, trade credit reports and available research reports
- Review existing customers' trading activity, profitability, return metrics (return on risk and return on working capital), payment history, average days to pay, billed and unbilled exposure
- Provide other ad-hoc reporting needs as directed by management
- Assist with company and client audits and collaborate with team members to identify areas of opportunity for cross training support

Required Skills and Experience

- Bachelor's Degree in Finance, Accounting or related field
- 5+ years' experience as a Credit or Financial Analyst
- Proficient in Microsoft Office suite, particularly Excel
- Able to research and evaluate data to make informed decisions and solve problems
- Strong mathematical, analytical and critical thinking skills
- Airline industry knowledge and experience either directly or indirectly with a vendor/lender doing business with airlines (Preferred but not Required)
